Additional Events

NEXT 180 April 28, 5–6 p.m.
Hammer Auditorium

Inspired by Pecha Kucha, this tournament will feature a dozen student speakers. Speakers, in rapid-fire, three-minute presentations, designed to enlighten, inspire and entertain. The showdown begins right before the NEXT Opening Night party in Hammer Auditorium.

NEXT Symposium April 26, 10–3 p.m.
Hammer Auditorium & Online

The NEXT Symposium presents excellence in student scholarship across the closely linked disciplines of art history and decorative arts and design history. The close collaboration between these programs provides a platform for thinking through current issues and critical points of discussion as they pertain to scholarship in the arts. We invite students to present their research as a way to consider what is “next” in these exciting fields.

Next Stages Ongoing

NEXT Stages are the music, dance and theatre performances, typically helmed by the graduating students at the Corcoran School. Please check the website for specific show times and info!
